

**REMARKS**

Claims 1-19 are pending in the application, with Claims 1-19 allowed. The Examiner has stated that the application is in condition for allowance, except that the applicant has not filed a certified copy of Korean Patent Application 2000-62153 as required by 35 U.S.C. 119(b).

It is noted that on August 17, 2007 we contacted Examiner Sophia Vlahos, who confirmed that the Patent Office had previously received a certified copy of the application, which was followed by a postcard acknowledging receipt of the document dated January 11, 2002. However, the document cannot be located, and the Examiner requested that we provide another certified copy. Accordingly, a certified copy of Korean Patent Application No. 2000-62153 is enclosed with this Response.

This application is believed to be in condition for allowance. Should the Examiner believe that a telephone conference or personal interview would facilitate resolution of any remaining matters, the Examiner may contact Applicants' attorney at the number given below.

Respectfully submitted,
